Who we are

We are a team of experienced, qualified and highly professional logistics experts headed by Mr. S. Srinivasan. Our hands-on experience, local port knowledge and operations expertise in the field of custom clearance & supply chain logistics services is unparalleled in the industry. We have carved a niche for providing quality centralized and cost efficient services to our valued patrons.

We take the time to get to know our client, their business and their objectives, going the extra mile to ensure that their shipments arrive or depart without any problems or unnecessary delay.

Our network participation is with trusted international counterparts on the other end of the shipment who are equally dedicated to serve for the collective interest.

All of our employees are thorough in each and every aspect of custom clearance & freight forwarding process including import and export documentation requirements for all types of cargo.

Our Services

Custom Clearance: Customs clearance work involves preparation and submission of documentations required to facilitate export or imports into the country, representing client during customs examination, assessment, payment of duty and co taking delivery of cargo from customs after clearance along with documents.

Freight Forwarding: Freight forwarder is to organize and execute the transport of goods on behalf of others. A freight forwarder handles the pick-up of goods from the supplier, customs clearance (Documents) at the proper authorities, handling at the warehouses involved, and secure a spot on the Ship, Plane or truck delivering the goods.

Custom Consultancy: We handle complete custom consultancy like obtaining IEC, DGFT, and DEPB license. Setting up custom of Custom Bonded/General Warehouse, Project Import Registration, Reconciliation & Finalisation, and Drawback/Refunds.

Surface Transportation: We provide complete transportation solution by road. Our services are uninterrupted and available 365 days anywhere in India. We are specialised in movement of general cargo, project cargo services and over dimensional cargo.
